Re: Submit June 2023 Wage & Contribution Report no later than July 15

If you haven't yet submitted your June 2023 report, please do so by **Saturday, July 15** so that TRS may close out FY 2023 and determine each employer's net pension liability.

If you have already submitted your June report, thank you!

Please note:

- Payouts of accrued sick and annual leave are **not** reportable to TRS as wages.
 - If you have **no** wages to report for June, you must submit a "\$0 contribution" report to TRS by the deadline above. If you aren't sure how, click the red Online Manual link while logged into the Wage & Contribution Reporting system.
